

Transform paper and PDF catalogs into real-time digital and online platforms for better experiences and growth.

### Why Digital?

Real-time updates, interactive search, and accessible anywhere. Modernize operations and expand market reach. Facilitate E Commerce and revenue growth.

### What We Offer?

Centralized web platform for customers, dealers, and employees. Integration with CRM and ERP systems.

### Key Features

Manage catalogs, parts inventory, technical drawings, and complex assemblies in one place.

Ready to supercharge after-sales?

# Stop Losing Sales to Manual Chaos

After-sales service is a revenue engine. Don't let scattered PDFs and manual orders hold you back.

## Customer Frustration

Unable to find right parts quickly

## Employee Burnout

Hours spent sending part references

## Dealer Overload

Constant calls to support teams

## Lost Revenue

Delayed service commitments

**₹1.18L**

Per year (GST inclusive)

**India**

**\$1.2K**

Per year
